CHECAGO, July 20 .- The notice that had been distributed among the stock-yard employes and signed by W. H. Overton, president; J. A. Driscoll, vice president, and N. R. Turpin, secretary, d approved of by E. V. Dobs. Geor branded as scabs all the mon continuing in the employ of the railroad depart-ments of the Union Stockyards and Trausit company, Armour & Company, Swift & Company, N. Morris & Com pany, Burton Stockear company, Streets Stable company, Canada Cattlecar company and all other industries in the rightly of the Union stockyards where radroad men are employed, after 6 p. m., Wednesday, July 18, 1894, was hown to Mr. Debs last night. He said

far as the officers of the American Rail approved by us. Nor have we any such notice was authorized or posted, The first information we had on the subject was when brought to our notice

in this morning's duily papers.

"This is a far sample of the methods that have been employed to poison the public mind against the strike and those collicially connected therewith. The

current for the trath.

"As, for instance, a few days ago a story was published to the effect that Mrs. Highdrotham was seriously ill in Montana and not expected to hive, and that Mr. Highdrotham had appealed to me to allow the dying wife to be brought home to see nor frauds for the last time by special train; that in a brutal manner I declared that not a wheel should turn. This base and heardess talsehood has been widely cirrulated, and has done incalculable damculated, and has done incalculable dam-

outs source, even though it had been in to its source, even though it had been in behalf of a poor washerwoman, I would have responded, had it been in my power to do so? In such an emergency a man who would not afford the required relief would be as destitute of heart as a livens. The writer of the damnatio adventood may accept this as personal to himself, his thought being father to the wish. "Column after column of vilification."

father to the wish.

"Column after column of villification and coined slauder have been published to sevee the matignant purposes of the subsidized press. In a little time the truth will prevail. The wrong will be alread on a transfer truth will be contracted.

clover down, the right will be onthroned. Our struggle is for humanity; why charge us with inhumanity? "In this connection I may add that "to this connection I may and that vertain telegrams have been published which were not authorized or transmitted by any officer of our organization. Stripped of false and extraneous matter, the charges will fall to the ground. Meantime, we can afford to be patient, and we say without pravado that we prefer to be in all with our convictions.

and we say without orayado that we prefer to be in jail with our convictions to being free without them."

This uncorn w was had in the presence of Messrs. Howard, Kellher and Rogers, and sequiesced in by them, and was further submitted to counsel for Mr. Debs before being authorized to the press. From on incorpring by Mr. press, upon an inquiry made by Mr. Debs as to whether the branding of the manufactured slanders could be in any Way considered by the court as co proceedings now pend-

#### STRIKERS INDICTED.

Federal Grand Jury in Chicago Report and Are Discharged. CHICAGO, July 20.-The federal grand Seaman's court yesterday afternoon and was discharged. In the 23 indictments andividuals, who are charged with vio-lating the federal statutes during the

give the names of any of the indicted persons beyond admitting that there per-ous beyond admitting that tore were several new indictments against Debs, Howard, Keliher and Rogers, the chief officers of the railway union. Included in some of the indictments also are other officers of the organization

cluded in some of the indictments also one other officers of the organization who have not been so prominent as the four new in the county jail. The others who go to make up the 76 are strikers against whom are charged specific acts of interference with trains or other property of the companies.

Debs and the other officers are in nearly all the 28 indictments. Whonever the grand jury concluded to present a barch of rioters, who committed specine acts, such as the derailing of trains, Debs and his companions were named with them as companions were named with them as companions were named with them as companions were addition to that there is an indictment against Debs. Rollers, Keilher and Howard, chiu jing them with conspirator to deprive a citizen of the United States of one of her constitutional rights, that is to ship goods from one state to the other.

Mr. Michrist said the question as to whether Debs and the other officers will be compelled to give bail on each separate indictment, has not been settled, but will be after the bonch warrants are issued and accord.

will be after the bench warrants are is No indictments were returned against

railroad officials, because no informa-tion was given against them. BANKERS ALARMED.

They Telegraph to Washington and Ask

For Federal Troops.
CHICAGO, July 20.—Leading Chicago bankers and merchants joined in a telecankers and merchants joined in a tea-grain to President. Cleveland yesterday that the federal troops be not with-drawn from Chicago. The amounte-ment that all the regulars would be moved away at once was not received with entire approval, and a petition to the president was horriedly circulated by E. C. Waller and others. A num-

The petition recited that the labor troubles were not yet over, and there was danger of outlands and collisions. In the interest of have or order the signers asked that the lederal troops be watching in the color of the colors.

retained in the city. Among the signers were John J. Mitchell, president of the Hinois Trust and Savings bank; John R. Watsh, president of the Chicago National bank; E. C. Kaith, president of the Metropolitan Nutional bank; Chumeny J. Bhir. Draydont of the Chauncey J. Bluir, president of the Merchants' National banic.

Mayor Hopklus Expiains. Mayor Hopkins Explains.
Childago, July 20.—Mayor Hopkins has become displeased over the reiterated reports that he has at different times requested the removal of the federal troops from Chicago. Last night he gave out for publication copies of telegrams between the secretary of war and humself and copies of notes exchanged between General Miles and himself. Both General Miles and Secretary Lamont asked him if he felt able to keep the peace in Chicago without the assistance of the federal troop, and upon his statement that he felt able to do so the order withdrawing the regudo so the order withdrawing the regu-lars was issued. This correspondence, Mayor Hopkins declares, covers every-Mayor Hopkins declares, covers every thing on the subject in which he has

## AFFAIRS IN CALIFORNIA.

in his possession a telegram from Debs, ar ms possession a triegram from Delis, instructing him to affort a serthement with the Southern Pacific company, provided the company agrees to take back the strikers without prejudice. It is also reported that Debs telegraphs that he has come to an understanding with Pullman.

Bosides this announcement there has been little excitement in California. been little excitement in California. Yestenday the Southern Paonile dispatched a train for Portland, the institut has been sent out on that line since the strike began, and the milroad officials say that they have men enough each they have men enough thin that trains are running very irreg-

ularly.

Military guards still go upon all important trains, and the trouble is by no means over.

At Oakland, relying upon the rulliting the company is a strong the rule of the company. the company has reduced the number of deputies from 300 to 50. A company

of depaties from 300 to 50. A company of state mintal, 60 men, was yestorday ordered from Nevada City to Port Costa, where the strikers have caused considerable trouble.

At Sacramento many of the strikers are returning to work, in the shops. There are 430 neu at work now.

Later reports from Caltinud are to the effect that the dispatch received from Debs did not state that the strike had been declared off, but merely informed

seen declared off, but merely unformed

No Difficulty Experienced From the Re-

St. PAUL, July 20.—The Northern Paoific railroad has given notice that the entire system, except the Cour d'Alenc officers of the roads state that they have full force in all departments and that no difficulty is being experienced in operating the road and all lawlessness has consected and no more trouble is expected.

This completes the chain of northwesters and that the Unitah Indians in Urah for the allottment of their lands are more dealer to allottment of their lands are more roads dough luminess and does away.

The last of the Milwankee switch-pen in Minneapolis asked for their old daces vesterday and the company took on as many as were wanted Sumlar reports come from all along the line. The Great Northern is handling all kinds of business, and the mon are loyal in spite of agriaturs. Strike news, in fact, is happily scarce.

Will Not Resist Soldiers.

Will Not Resist Soldiers.

Butes, Mon., July 20.—The strikers are making no preparations to receive troops who are expected to arrive tomorrow. It is said that several companies of regulars, new in Helena, whose destination was given out several days ago as Sacramento, are really intended for Butte and will be sont to this city temerous. The local efficers of the American Railway union say not the slightest resistance will be made to the soldiers, but they will "make is interesting for scales."

Powder on the Rails.

Prescott, A. T., July 20.—A large

PRESCOTT, A. T., July 20.—A large amount of giant powder was found yes-terday along tio track of the Santa Fe, Prescott and Phomix railway in the city limits. It had evidently been placed on the rails with the intention of wrecking the rails with the intention of wreeking the train, but not being fastened, it had been jurred off by the approaching train. Elud it remained on the rad it would have blown the train to pieces. No motive can be assigned for the deed.

## Glad to Get Back

Missoulla, Mon., July 20.—Strikers here seem to regard their cause as lost and many have offered to roturn to work. The officials have refused to take back members of the American

low Lima on the burned yesterday.

The House Stands Firm on the Tariff Bill.

SENATE AMENDMENTS DON'T GO

Original House Bill-The Sonate Takes No Action on the Tariff Conference Washington, July 20,-The Demo-

instructions to the conferees to stand firm against the amendments which the

A special order was brought in from the committee on rules which limited tested against a course of procedure that would give the house no opportun-ity to give specific instructions on sigar. The debate which occurred on the adoption of the motion instructing the adoption of the motion instructing the house to insist on its disagreement, was practically confined to Chairman Wilson on the one hand and ex-Spoaker Reed on the other, although short speeches were made by tieneral Whooler of Alabamu and ex-Speaker Grow of Pensylv must before the way taken

Senusylvania before the vote was taken.
The utterances of Mr. Wilson, who was suffering intense pain and whose acad was bound with a silk handkerhead was bound with a silk hundker-chief that excended to his ohin, so that he was practically blandfolded, or ented the most intense embasiasm among his Democratic colleagues. Every conti-ment he utbered in opposition to the concessions which the sonate sought to force was applauded to the echo and

from President Cievenand, account that the foture welfare of the Democratic party depended upon the adherence to the Democratic principles upon which the house bull was framed.

Mr. Reed's reply also met with the uniousing appliance from his political collections. The motion to disagree was adopted

pointed the old conterees.

After the tariff bill had been sent back to conference the conference reports on the north, military and diplomatic ap-propriation bills were agreed to, and the house bogan the consideration of a resolution for a constitutional amend-ment looking to the election of senators by the people.

On Saturday a bill will be considered.

to re-establish radway mail clorks dis-massed between March 15, 1889, and

Washington, July 20.—The sonate agreed to the conference report on the diplomatic and consular appropriation bill.

The conference report on the tariff bill was brought up, but after a short debate was land on the table. The Indian appropriation bill was entire system, except the Cour d'Alons tranch, which was damaged by the floods in June, is now open for the farmasaction of all kinds of business. The large mytractaus from the courter of the floods in June, is now open for the ment was offered by Mr Shoup (Rop., transaction of all kinds of business. The

An amendment was agreed to direct

education of the Indian children, and to report at the next session of congress an estimate of the cost of substituting government schools for all the contract schools now existing.

A further amendment was adopted approlating \$15,686 due the Wyandotte Indians, to purchase lands in severally from the theory and the production.

Indians, to purchase lands in soverally from the Quapaw Indians in Indian Territory for absence Wyandotte Indians. The bill was then passed.

At 5:47 p. m., the senate went into executive session, and shortly therefore adjourned.

3ΩH1L

Milk is now given in almost all forms of illness and especially those in which solid food is prohibited. The old fallacy that it raises the temperature, and thus proves injurious in inflammatory disease, has long been dissipated. Hot milk is a valpuble stimulant and proves a most excellent tonic. It should not be permitted to boil, but simply raised to a temperature as hot as proves comfortable in drinking. It should be drank from a spoon, as this slow method in sures better digestion. When pure milk disagrees with the patient a tablespoonful of limewater added to a glassful or half a pint overcomes this objection.-Ingalla' Home Magazino.

Science, however, has lately step-

ped in and put the eachet of truth and authority on this stock state-

ment. A recent entomological report says that there is unquestionably a

in those much exposed to the attack

of mosquitoes which gives immunity from any inconvenience after the bite

is given. The report goes on to de-scribe with harrowing detail the ef-

feet of a bite on newcomers in an affected district and adds that this

sort of thing may have to be endured the whole of the first summer. After

that the bite may be felt just as sharp

as before, but no such after discom-

fort will follow. The value of the inoculation is vividly illustrated in

the case of children going into an in-fested locality to live. For the first

given. Hence, too, the apparent in-

difference of the untive and the sea soned resident.—New York Times.
